# Antique Mirrors

Omega National Products Antique Décor Mirrors are handcrafted using silvering techniques passed down for generations. Our distinctive styles are an ideal alternative to clear mirrors, as each pattern offers a visual elegance of times past. Our Antique Mirrors are designed for a variety of mirror applications, including architectural, furniture and framed.

Omega National Products supplies Antique Mirrors to some of the most recognized architectural, furniture and hospitality supply companies across the globe. All of our Antique Mirrors are handcrafted in Louisville, KY and are likely the most unique mirrors available in the world today.

## Available in:

- 11 distinctive patterns
- 1/8" and 1/4" thickness
- Full and half sheets
- Gold Vein overlay
