Antique Mirror

Omega National Products' Antique Mirrors are handcrafted using silvering techniques developed and refined over decades. Our distinctive designs are an ideal alternative to clear mirrors. They are perfect for most any styling, from traditional to transitional to contemporary. Our Antique Mirrors are designed for many applications, including architectural wall decor, furniture and framed mirrors.

All of our Antique Mirrors are handcrafted in Louisville, KY. Choose from 13 distinctive patterns in 1/8 inch or 1/4 inch thickness. Our stock sheets are available in full or half sheet sizes, with a gold vein overlay option. Actual patterns may vary.
